

How to integrate Labvanced with Sona Systems

These are the steps in order to run a Study created on Labvanced.com via Sona-Systems:

- 1) Go on Labvanced.com and publish your study (Publish & Record Tab)
- 2) Copy the “Sona Link” to your clipboard by clicking on the respective icon next to the link

Sona:

Sona Completion URL:

Save

Link (for Sona): https://www.labvanced.com/player.html?id=2688&type=sona&subject_code=%SURVEY_CODE%

- 3) Go to sona-systems.com and paste that link as the study URL for the respective experiment.

Note: This URL must end with: “&type=sona&subject_code=%SURVEY_CODE%”

- 4) Copy the Sona “completion URL” which should be shown to you in your experiment settings. This url should look roughly like this:

[“https://yourschool.sona-systems.com/webstudy_credit.aspx?experiment_id=123&credit_token=hq8dhd2”](https://yourschool.sona-systems.com/webstudy_credit.aspx?experiment_id=123&credit_token=hq8dhd2)

Note: This completion URL **MUST NOT** contain the subject_code or survey_code URL parameter

5) Copy this completion URL into the Labvanced completion URL input field and press save.

Sona:

Sona Completion URL:

Save

Link (for Sona): https://www.labvanced.com/player.html?id=2688&type=sona&subject_code=%SURVEY_CODE%

That's it:-)

Test)

When the experiment is finished the participant should see the back-link to Sona, and can just click the link to get rewarded. Please ensure that this back-link works as expected.

Thank you! The experiment session is finished.

Please follow this link to claim your reward back on Sona: https://yourschool.sona-systems.com/webstudy_credit.aspx?experiment_id=123&credit_token=hq8dhd2&survey_code=234

Note: The “survey_code” parameter should be automatically appended as shown in the example.
